

# COTEWELL EXTERNAL TAPE

This External Tape has been designed to stand up to all of nature's wild elements, proving to be the perfect choice for outdoor asphalt and concrete surfaces.

**One of the thickest quality tapes on the market, we guarantee this will give you more control over your line markings making your life a lot easier.**

## PRODUCT FEATURES:

- Easy to install, with or without applicator
- 1.3mm thick - 7 x thicker than other tapes and paint
- 3 Year Limited Warranty
- P5 Slip Rating
- Highly Reflective for night works
- Easily removed if configuration changes are required
- No production downtime needed

## TIPS FOR INSTALLING EXTERNAL TAPE:

- Ensure surface is clean, dry and oil free before installation
- Do not apply tape lengthways on joints
- Suitable for outdoor application on both asphalt and concrete surfaces

## AVAILABLE IN:

- White or Yellow, both 100mm wide
- Available in Red, Green & Blue
